The Board of Directors of Guess?, Inc. (the “Company”) previously adopted the amended and restated Guess?, Inc. 2004 Equity Incentive Plan (the “2004 Equity Incentive Plan”), subject to approval of the amendments by the Company’s shareholders. At the Company’s annual meeting of shareholders held June 26, 2014, the Company’s shareholders approved the amended and restated 2004 Equity Incentive Plan. Among other things, the amended and restated 2004 Equity Incentive Plan reflects amendments to (i) extend the Company’s ability to grant new awards under the 2004 Equity Incentive Plan until May 20, 2024; (ii) decrease the aggregate number of shares of the Company’s common stock available for award grants under the 2004 Equity Incentive Plan by 5,000,000 shares (so that the new aggregate share limit for the amended and restated 2004 Equity Incentive Plan is 15,000,000 shares); and (iii) extend the Company’s authority to grant awards under the amended and restated 2004 Equity Incentive Plan intended to qualify as “performance-based compensation” within the meaning of Section 162(m) of the U.S. Internal Revenue Code through the first annual meeting of the Company’s shareholders that occurs in 2019.

The foregoing description of the amended and restated 2004 Equity Incentive Plan does not purport to be complete and is subject to, and qualified in its entirety by, the full text of the amended and restated 2004 Equity Incentive Plan, which is attached hereto as Exhibit 10.1 and incorporated herein by reference.

### 3. *Administration of the Plan.*

(a) The Plan shall be administered by the Committee, and the Committee shall make the determinations set forth in this subsection 3(a), based on the recommendations of the Company’s management. With respect to Awards intended to satisfy the requirements for performance-based compensation under Section 162(m) of the Code, this Plan shall be administered by a committee consisting solely of two or more outside directors (as this requirement is applied under Section 162(m) of the Code); provided, however, that the failure to satisfy such requirement shall not affect the validity of the action of any committee otherwise duly authorized and acting in the matter. Award grants, and transactions in or involving Awards, intended to be exempt under Rule 16b-3 under the Exchange Act, must be duly and timely authorized by the Board or a committee consisting solely of two or more non-employee directors (as this requirement is applied under Rule 16b-3 promulgated under the Exchange Act). To the extent required by any applicable listing

agency, this Plan shall be administered by a committee composed entirely of independent directors (within the meaning of the applicable listing agency).

(b) The Committee shall have full power and authority, subject to the express provisions hereof (including the no repricing provision below), (i) to select Participants from the Eligible Individuals, (ii) to make Awards in accordance with the Plan, (iii) to determine the number of Shares subject to each Award or the cash amount payable in connection with an Award, (iv) to determine the terms and conditions of each Award, including, without limitation, those related to vesting, forfeiture, payment and exercisability, and including the authority to amend the terms and conditions of an Award after the granting thereof to a Participant in a manner that is not prejudicial to the rights of such Participant in such Award, (v) to specify and approve the provisions of the Award Agreements delivered to Participants in connection with their Awards, (vi) to construe and interpret any Award Agreement delivered under the Plan, (vii) to prescribe, amend and rescind rules and procedures relating to the Plan, (viii) to vary the terms of Awards to take account of tax, securities law and other regulatory requirements of foreign jurisdictions and (ix) to make all other determinations and to formulate such procedures as may be necessary or advisable for the administration of the Plan.

(c) The Committee shall have full power and authority, subject to the express provisions hereof, to construe and interpret the Plan.

(d) Any action taken by, or inaction of, the Company, any Subsidiary, or the Committee relating or pursuant to this Plan and within its authority hereunder or under applicable law shall be within the absolute discretion of that entity or body and shall be conclusive and binding upon all persons. Neither the Board nor any Board committee, nor any member thereof or person acting at the direction thereof, shall be liable for any act, omission, interpretation, construction or determination made in good faith in connection with this Plan (or any Award made under this Plan), and all such persons shall be entitled to indemnification and reimbursement by the Company in respect of any claim, loss, damage or expense (including, without limitation, attorneys' fees) arising or resulting therefrom to the fullest extent permitted by law and/or under any directors and officers liability insurance coverage that may be in effect from time to time. In making any determination or in taking or not taking any action under this Plan, the Board or a Committee, as the case may be, may obtain and may rely upon the advice of experts, including employees and professional advisors to the Company. No director, officer or agent of the Company shall be liable for any such action or determination taken or made or omitted in good faith. The Committee may delegate ministerial, non-discretionary functions to individuals who are officers or employees of the Company or to third parties.

(e) Notwithstanding the foregoing and except for an adjustment pursuant to Section 16 or a repricing approved by shareholders, in no case may the Committee (1) amend an outstanding Stock Option or Stock Appreciation Right to reduce the exercise price or base price of the Award, (2) cancel, exchange, or surrender an outstanding Stock Option or Stock Appreciation Right in exchange for cash or other awards for the purpose of repricing the Award, or (3) cancel, exchange, or surrender an outstanding Stock Option or Stock Appreciation Right in exchange for a Stock Option or Stock Appreciation Right with an exercise or base price that is less than the exercise or base price of the original Award.

4. *Duration of Plan.* The Plan shall remain in effect until terminated by the Board and thereafter until all Awards granted under the Plan are satisfied by the issuance of shares of Common Stock or the payment of cash or are terminated or expire under the terms of the Plan or under the Award Agreement entered into in connection with the grant thereof. Notwithstanding the foregoing, no Awards may be granted under the Plan after the tenth anniversary of the Effective Date (as defined in Section 19(m)).

After the termination of this Plan either upon such stated expiration date or its earlier termination by the Board, no additional Awards may be granted under this Plan, but previously granted Awards (and the authority of the Committee with respect thereto, including the authority to amend such Awards) shall remain outstanding in accordance with their applicable terms and conditions and the terms and conditions of this Plan.

5. *Shares of Stock Subject to the Plan.*

(a) Subject to adjustment as provided in Section 16(b) hereof, the number of shares of Common Stock that may be issued under the Plan pursuant to Awards shall not exceed, in the aggregate, 15,000,000<sup>(1)</sup> shares. Such shares may be either authorized but unissued shares, treasury shares or any combination thereof.

(b) To the extent that an Award is settled in cash or a form other than shares of Common Stock, the shares that would have been delivered had there been no such cash or other settlement shall not be counted against the shares available for issuance under this Plan. Except as provided in the next sentence, shares that are subject to or underlie Awards granted under this Plan which expire or for any reason are cancelled or terminated, are forfeited, fail to vest, or for any other reason are not paid or delivered under this Plan shall again be available for subsequent Awards under this Plan. Shares that are exchanged by a Participant or withheld by the Company as full or partial payment in connection with any Stock Option or Stock Appreciation Right granted under this Plan, as well as any shares exchanged by a Participant or withheld by the Company or one of its Subsidiaries to satisfy the tax withholding obligations related to any Stock Option or Stock Appreciation Right granted under this Plan, shall not be available for subsequent Awards under this Plan. Shares of Common Stock that are exchanged by a Participant or withheld by the Company as full or partial payment in connection with any Full-Value Award granted under this Plan, as well as any shares exchanged by a Participant or withheld by the Company or one of its Subsidiaries to satisfy the tax withholding obligations related to any Full-Value Award granted under this Plan, shall be available for subsequent Awards under this Plan. In the event that shares of Common Stock are delivered in respect of a Dividend Equivalent Right granted under this Plan, the number of shares delivered with respect to the Award shall be counted against the share limits of this Plan (including, for purposes of clarity, the limits of Sections 5.5(a) and 6 of this Plan). (For purposes of clarity, if 1,000 Dividend Equivalent Rights are granted and outstanding when the Company pays a dividend, and 50 shares are delivered in payment of those rights with respect to that dividend, 50 shares shall be counted against the share limits of this Plan). To the extent that shares of Common Stock are delivered pursuant to the exercise of a Stock Appreciation Right or Stock Option granted under this Plan, the number of underlying shares as to which the exercise related shall be counted against the applicable share limits under Sections 5.5(a) and 6, as opposed to only counting the shares issued. (For purposes of clarity, if a Stock Appreciation Right relates to 100,000 shares and is exercised at a time when the payment due to the Participant is 15,000 shares, 100,000 shares shall be charged against the applicable share limits under Sections 5.5(a) and 6 with respect to such exercise.) The foregoing adjustments to the

---

(1) The aggregate share limit of the Plan was originally 20,000,000 shares of Common Stock, which consisted of (a) the 10,000,000 shares that were initially approved for issuance under the Plan upon its original adoption and approval by the shareholders of the Company on May 10, 2004 plus (b) an additional 10,000,000 shares as a result of an adjustment pursuant to Section 16(b) herein to reflect the Company's two-for-one stock split effected in the form of a 100% stock dividend as approved by the Board on February 12, 2007 and distributed March 12, 2007. All other share limits herein have also been adjusted as necessary to reflect the impact of such stock split. Shareholders are being asked to approve this amended and restated version of this Plan which would decrease this aggregate share limit by 5,000,000 shares (so that the new aggregate share limit for this Plan would be 15,000,000 shares).

share limits of this Plan are subject to any applicable limitations under Section 162(m) of the Code with respect to Awards intended as performance-based compensation thereunder.

6. *Additional Share Limits.* The following limits also apply with respect to Awards granted under this Plan:

(a) In accordance with the requirements under Section 162(m) of the Code, no Eligible Individual shall receive grants of Stock Options and Stock Appreciation Rights with respect to an aggregate of more than 1,000,000 shares of Common Stock in any calendar year.

(b) The maximum number of shares of Common Stock that may be delivered pursuant to options qualified as Incentive Stock Options granted under this Plan is 10,000,000 shares.

(c) Additional limits with respect to Special Performance-Based Awards are set forth in Section 13.

Each of the foregoing numerical limits is subject to adjustment as contemplated by Section 5(b) and Section 16(b).

7. *Eligible Individuals.* Awards may be granted by the Committee only to those persons who the Committee determines to be Eligible Individuals with the potential to contribute to the future success of the Company or its Subsidiaries. An “*Eligible Individual*” is any person who is (a) an officer of the Company or its Subsidiaries, (b) an employee of the Company or its Subsidiaries or (c) an individual consultant or advisor who renders or has rendered bona fide services (other than services in connection with the offering or sale of securities of the Company or its Subsidiaries in a capital-raising transaction or as a market maker or promoter of the Company’s or its Subsidiaries’ securities) to the Company or its Subsidiaries and who is selected to participate in this Plan by the Committee; provided, however, that a person who is otherwise an Eligible Individual under clause (c) above may participate in this Plan only if such participation would not adversely affect either the Company’s eligibility to use Form S-8 to register under the Securities Act the offering and sale of shares issuable under this Plan by the Company or its Subsidiaries or the Company’s compliance with any other applicable laws. A Participant may, if otherwise eligible, be granted additional Awards if the Committee shall so determine. Awards may be granted singly, in combination or in tandem. Awards also may be made in combination or in tandem with, in replacement of, as alternatives to, or as the payment form for grants or rights under any other employee or compensation plan of the Company or its Subsidiaries.

8. *Stock Options.* Stock Options granted under the Plan may be in the form of Incentive Stock Options or Nonqualified Stock Options; *provided* that only employees may be granted Incentive Stock Options. Stock Options granted under the Plan shall be subject to the following terms and conditions and shall contain such additional terms and conditions, not inconsistent with the terms of the Plan, as the Committee shall deem appropriate:

(a) *Award Agreement.* Stock Options shall be evidenced by an Award Agreement in such form and containing such terms and conditions as the Committee deems appropriate and which are not inconsistent with the terms of the Plan, and shall indicate if the option is intended as an Incentive Stock Option.

(b) *Terms of Stock Options Generally.* Subject to the terms of the Plan and the applicable Award Agreement, each Stock Option shall entitle the Participant to whom such Stock Option was granted to purchase, upon payment of the relevant exercise price, the number of shares of Common Stock specified in the Award Agreement.

(c) *Exercise Price.* The exercise price per share of Common Stock purchasable under a Stock Option shall be determined by the Committee at the time of grant and set forth in the Award Agreement; *provided, however,* that with respect to Incentive Stock Options, the exercise price shall not be less than one hundred percent (100%) of the Fair Market Value of a share of Common Stock on the date of grant (110% in the case of an Incentive Stock Option granted to a Ten Percent Shareholder).

(d) *Option Term.* The term of each Stock Option shall be fixed by the Committee and set forth in the Award Agreement; *provided, however,* that a Stock Option shall not be exercisable after the expiration of ten (10) years after the date the Stock Option is granted (five (5) years in the case of an Incentive Stock Option granted to a Ten Percent Shareholder).

(e) *Exercisability.* A Stock Option shall be exercisable at such time or times and subject to such terms and conditions as shall be determined by the Committee; *provided* that a Stock Option shall be freely exercisable within 5 years after the date on which such Stock Option is granted. In no case may a Stock Option be exercised as to less than 100 shares at any one time (or the remaining shares covered by the Stock Option if less than 100) during the term of the Stock Option. Only whole shares shall be issued pursuant to the exercise of any Stock Option. Fractional shares shall be rounded to the nearest whole share. The Committee may provide that Stock Options shall be exercisable in whole or in part based upon length of service or attainment of specified performance criteria. Subject to the first sentence of this paragraph, the Committee, in its sole discretion, may provide for the acceleration of vesting of a Stock Option, in whole or in part, based on such factors or criteria (including specified performance criteria) as the Committee may determine.

(f) *Method of Exercise.* A Stock Option may be exercised, in whole or in part, by giving written notice of exercise to the Secretary of the Company specifying the number of shares to be purchased, and containing any representations required by the Committee. Such notice shall be accompanied by payment in full of the exercise price either by cash, certified or bank check, or other instrument acceptable to the Committee. As determined by the Committee in its sole discretion, payment of the exercise price may also be made in full or in part by tendering to the Company shares of Common Stock (having a Fair Market Value as of the date of exercise of such Stock Option equal to the exercise price (or such portion thereof)). Common Stock used to pay the exercise price may be shares that are already owned by the Participant, or the Company may withhold shares of Common Stock that would otherwise have been received by the Participant upon exercise of the Stock Option. Unless and until otherwise provided by the Committee and in accordance with procedures established by the Company for this purpose from time to time, a Participant may exercise an Option through a "cashless exercise" procedure involving a third-party broker who provides financing for the purpose of (or otherwise facilitates) the purchase or exercise of Awards. The manner in which the exercise price may be paid may be subject to certain conditions specified by the Committee, including, without limitation, conditions intended to avoid the imposition of liability against the individual under Section 16 of the Exchange Act and compliance with applicable law. If requested by the Committee, the Participant shall deliver the Award Agreement evidencing an exercised Stock Option to the Secretary of the Company, who shall endorse thereon a notation of such exercise and return such Award Agreement to the Participant exercising the Option.

(g) *Rights as Shareholder.* A Participant shall have no rights as a shareholder with respect to any shares of Common Stock issuable upon exercise of a Stock Option until shares of Common Stock (either in certificate or book entry form) shall have been issued to the Participant and, subject to Section 16(b), no adjustment shall be made for dividends or distributions or other rights

in respect of any share for which the record date is prior to the date on which the Participant shall become the holder of record thereof.

(h) *Special Rule for Incentive Stock Options.* With respect to Incentive Stock Options granted under the Plan, if the aggregate Fair Market Value (determined as of the date the Incentive Stock Option is granted) of the number of shares with respect to which Incentive Stock Options are exercisable for the first time by a Participant during any calendar year under all plans of the Company or a Parent or Subsidiary exceeds One Hundred Thousand Dollars (\$100,000) or such other limit as may be required by the Code, such Incentive Stock Options shall be treated, to the extent of such excess, as Nonqualified Stock Options.

9. *Restricted Stock Awards.* Restricted Stock Awards granted under the Plan shall be subject to the following terms and conditions and shall contain such additional terms and conditions, not inconsistent with the Plan, as the Committee shall deem appropriate:

(a) *Award Agreement.* Restricted Stock Awards shall be evidenced by an Award Agreement in such form and containing such restrictions, terms and conditions as the Committee deems appropriate and which are not inconsistent with the terms of the Plan, including, without limitation, restrictions on the sale, assignment, transfer or other disposition of such shares and provisions requiring that a Participant forfeit such shares upon a termination of employment for specified reasons within a specified period of time.

(b) *Terms of Restricted Stock Awards Generally.* Restricted Stock Awards may be granted under the Plan in such form as the Committee may from time to time approve. Restricted Stock Awards may be granted for any lawful consideration approved and deemed appropriate by the Committee, including without limitation, services rendered by the Participant. Restricted Stock Awards may be granted alone or in addition to other Awards under the Plan. Subject to the terms of the Plan, the Committee shall determine the number of shares of Common Stock subject to each Restricted Stock Award granted to a Participant, and the Committee may impose different terms and conditions on any particular Restricted Stock Award granted to any Participant. Subject to the following sentence, the Committee, in its sole discretion, may provide for the lapse of restrictions in installments and may waive or accelerate such restrictions in whole or in part, based on such factors or criteria, including specified performance criteria, as the Committee may determine. Upon expiration of any applicable restriction period or lapse of any restrictions, the Participant shall be vested in the Restricted Stock Award, or applicable portion thereof.

(c) *Evidence of Ownership.* At the time of grant, the Company shall, in its discretion, issue to each Participant receiving a Restricted Stock Award either: (i) a certificate or certificates in respect of such shares of Common Stock or (ii) uncertificated shares in book entry form. In either case, such shares shall be registered in the name of such Participant, and shall bear an appropriate legend or notation, as applicable, referring to the terms, conditions and restrictions applicable to such Award. The Committee may require that, as a condition of any Restricted Stock Award: (x) the Participant shall have delivered a stock power, endorsed in blank, relating to the Common Stock covered by such Award and (y) shares evidencing such Restricted Stock Award (if in certificate form) be held in custody by the Company until the restrictions thereon have lapsed.

(d) *Rights as Shareholder.* Except as otherwise provided by the Committee in its sole discretion, a Participant shall have, with respect to the shares of Common Stock received under a Restricted Stock Award, all of the rights of a shareholder of the Company, including the right to vote the shares and the right to receive any cash dividends. Stock dividends issued with respect to shares covered by a Restricted Stock Award shall be treated as additional shares under the

Restricted Stock Award and shall be subject to the same restrictions and other terms and conditions that apply to the shares with respect to which such dividends are issued.

9A. *Stock Units*. Awards of Stock Units granted under the Plan shall be subject to the following terms and conditions and shall contain such additional terms and conditions, not inconsistent with the Plan, as the Committee shall deem appropriate:

(a) *Terms and Conditions of Stock Units Generally; Award Agreement*. The Committee may, in its discretion, (1) authorize and grant to any Eligible Individual an Award of Stock Units, (2) credit to any Eligible Employee Stock Units, (3) permit an Eligible Employee to irrevocably elect to defer by means of Stock Units or receive in Stock Units all or a portion of any Award hereunder, or (4) grant Stock Units in lieu of, in exchange for, in respect of, or in addition to any other compensation or Award under this Plan. The specific terms, conditions, and provisions relating to each Stock Unit grant or election, including the applicable vesting and payout provisions of the Stock Units and the form of payment to be made at or following the vesting thereof, shall be set forth in or pursuant to the applicable Award Agreement and any relevant Company bonus, performance or other service or deferred compensation plan, in form substantially as approved by the Committee, in each case subject to compliance with Section 409A of the Code.

(b) *Payment of Awards*. Subject to compliance with Section 409A of the Code, the Committee, in the applicable Award Agreement or other award agreement or the relevant Company deferred compensation plan, may permit the Eligible Individual to elect the form and time of payout of vested Stock Units on such conditions or subject to such procedures as the Committee may impose, and may permit Stock Unit offsets or other provisions for payment of any applicable taxes that may be due on the crediting, vesting or payment in respect of the Stock Units.

(c) *Dividend Equivalent Rights*. In its discretion, the Committee may grant to any Eligible Individual "Dividend Equivalent Rights" concurrently with the grant of any Award of Stock Units, on such terms as set forth by the Committee in the applicable Award Agreement. Dividend Equivalent Rights shall be based on all or part of the amount of dividends declared on shares of Common Stock and shall be credited as of dividend payment dates during the period between the date of grant (or such later date as the Committee may set) and the date the Award of Stock Units expires (or such earlier date as the Committee may set), as determined by the Committee. Dividend Equivalent Rights shall be payable in cash or shares of Common Stock, and may be subject to such conditions, as may be determined by the Committee.

(d) *Cancellation of Restricted Stock Units*. Unless the Committee otherwise expressly provides, and subject to Section 14 hereof, Restricted Stock Units that remain subject to conditions to vesting at the time of termination of employment or service or are subject to other conditions to vesting that have not been satisfied by the time specified in the applicable Award Agreement shall not vest and shall be cancelled, unless the Committee otherwise provides in or by amendment to the applicable terms of the Award.

(e) *Rights as Shareholder*. A Participant shall have no rights as a shareholder with respect to an Award of Stock Units. Stock Units may, however, by express provision in the applicable Award Agreement, entitle a Participant to Dividend Equivalent Rights as provided under Section 9A(c) hereof.

9B. *Dividend Equivalent Rights*. In addition to the limits set forth in Section 9A(b), Dividend Equivalent Rights may be granted as a separate Award or in connection with another Award under this

Plan; provided, however, that Dividend Equivalent Rights may not be granted in connection with a Stock Option or Stock Appreciation Right granted under this Plan. In addition, any dividends and/or Dividend Equivalent Rights as to the unvested portion of a Restricted Stock Award that is subject to performance-based vesting requirements or the unvested portion of a Stock Unit Award that is subject to performance-based vesting requirements will be subject to termination and forfeiture to the same extent as the corresponding portion of the Award to which they relate.

10. *Stock Appreciation Rights.* Stock Appreciation Rights granted under the Plan shall be subject to the following terms and conditions and shall contain such additional terms and conditions, not inconsistent with the terms of the Plan, as the Committee shall deem appropriate.

(a) *Award Agreement.* Stock Appreciation Rights shall be evidenced by an Award Agreement in such form and containing such terms and conditions as the Committee deems appropriate and which are not inconsistent with the terms of the Plan.

(b) *Terms of Stock Appreciation Rights Generally.* Subject to the terms of the Plan and the applicable Award Agreement, each Stock Appreciation Right shall entitle the Participant to whom such Stock Appreciation Right was granted to receive, upon exercise thereof, the amount specified in Section 10(e). A Stock Appreciation Right may be granted alone or in addition to other Awards, or in tandem with a Stock Option. If granted in tandem with a Stock Option, a Stock Appreciation Right shall cover the same number of shares of Common Stock as covered by the Stock Option (or such lesser number of shares as the Committee may determine).

(c) *Exercise Price.* The exercise price per share of Common Stock subject to a Stock Appreciation Right shall be determined by the Committee at the time of grant and set forth in the Award Agreement.

(d) *Exercise.* A Stock Appreciation Right may be exercised by a Participant in accordance with procedures established by the Committee. A Stock Appreciation Right granted in tandem with a Stock Option shall be exercisable only at such time or times and to the extent the related Stock Option shall be exercisable, and shall have the same term and exercise price as the related Stock Option. A Stock Appreciation Right unrelated to a Stock Option shall contain such terms and conditions as to exercisability and duration as the Committee shall determine, but in no event shall any such Stock Appreciation Right have a term of greater than ten (10) years. The Committee, in its sole discretion, may provide for the acceleration of vesting of a Stock Appreciation Right, in whole or in part, based on such factors or criteria (including specified performance criteria) as the Committee may determine. Upon exercise of a Stock Appreciation Right granted in tandem with a Stock Option, the related Stock Option shall be cancelled automatically to the extent of the number of shares covered by such exercise, and such shares shall no longer be available for grant under the Plan. If the related Stock Option is exercised as to some or all of the shares covered by the tandem grant, the related Stock Appreciation Right shall be cancelled automatically to the extent of the number of shares covered by the Stock Option exercise. A Stock Appreciation Right granted in tandem with an Incentive Stock Option may be exercised only when the Fair Market Value of the Common Stock subject to the Incentive Stock Option exceeds the exercise price of such Stock Option.

(e) *Amount of Payment.* In the event a Participant exercises a Stock Appreciation Right, such Participant shall be entitled to receive an amount determined by multiplying (a) the difference between the Fair Market Value of one share of Common Stock on the date of exercise and the exercise price per share specified for the Stock Appreciation Right by (b) the number of shares in respect of which the Stock Appreciation Right shall have been exercised. Notwithstanding the foregoing, the Committee may limit in any manner the amount payable with

respect to any Stock Appreciation Right by including such a limit in the Award Agreement at the time the Stock Appreciation Right is granted.

(f) *Form of Payment.* Payment upon exercise of a Stock Appreciation Right shall be made in cash, in shares of Common Stock, or some combination thereof, as the Committee shall determine in its sole discretion.

(g) *Rights as Shareholder.* A Participant shall have no rights as a shareholder with respect to any Stock Appreciation Right unless and until shares of Common Stock (either in certificate or book entry form) are issued to the Participant as payment upon exercise of such Stock Appreciation Right, and, subject to Section 16(b), no adjustment shall be made for dividends or distributions or other rights in respect of any share for which the record date is prior to the date on which the Participant shall become the holder of record thereof.

(h) *Limited Stock Appreciation Rights.* The Committee may grant to an Eligible Individual a Stock Appreciation Right (a “*Limited Stock Appreciation Right*”) pursuant to which the Participant shall have the right to surrender such Limited Stock Appreciation Right or any portion thereof to the Company within thirty (30) days following a Change in Control and to receive from the Company in exchange therefor a cash payment in an amount equal to (a) the number of shares of Common Stock under the Limited Stock Appreciation Right or portion thereof which is being exercised, multiplied by (b) the excess of (i) the greater of (A) the highest price per share of Common Stock paid in connection with the Change in Control or (B) the highest Fair Market Value per share of Common Stock in the 90 day period preceding such Change in Control, over (ii) the Fair Market Value of a share of Common Stock on the date the Limited Stock Appreciation Right was granted as set forth in the Award Agreement. Limited Stock Appreciation Rights granted under the Plan shall contain such additional terms and conditions, not inconsistent with the Plan, as the Committee deems appropriate.

11. *Performance Share Awards.* Performance Share Awards granted under the Plan shall be subject to the following terms and conditions and shall contain such additional terms and conditions, not inconsistent with the Plan, as the Committee shall deem appropriate:

(a) *Award Agreement.* Performance Share Awards shall be evidenced by an Award Agreement in such form and containing such terms and conditions as the Committee deems appropriate and which are not inconsistent with the terms of the Plan. Each Award Agreement shall set forth the number of shares of Common Stock to be received by a Participant upon satisfaction of certain specified performance criteria and subject to such other terms and conditions as the Committee deems appropriate.

(b) *Terms of Performance Share Awards Generally.* Performance Share Awards may be granted under the Plan in such form as the Committee may from time to time approve. Performance Share Awards may be granted for such consideration as the Committee deems appropriate. Performance Share Awards may be granted alone or in addition to other Awards under the Plan. Subject to the terms of the Plan, the Committee shall determine the number of shares of Common Stock subject to each Performance Share Award granted to a Participant.

(c) *Performance Goals.* Performance Share Awards shall provide that, in order for a Participant to be entitled to receive shares of Common Stock under such Award, the Company, a Subsidiary and/or the Participant must achieve certain specified performance goals (“*Performance Goals*”) over a designated performance period (“*Performance Period*”). The Performance Goals and Performance Period shall be established by the Committee in its sole discretion. The Committee shall establish the Performance Goals for each Performance Period before, or as soon

as practicable after, the commencement of the Performance Period. In setting Performance Goals, the Committee may use such measures as (without limitation) net earnings, operating earnings or income, absolute and/or relative return on equity or assets, earnings per share, cash flow, pretax profits, earnings growth, revenue growth, comparison to peer companies, any combination of the foregoing, or such other measure or measures of performance, including individual measures of performance, in such manner as it deems appropriate. Prior to the end of a Performance Period, the Committee may, in its discretion, adjust the performance objectives to reflect a Change in Capitalization (as hereinafter defined) or any other event which may materially affect the performance of the Company, a Subsidiary or a division, including, but not limited to, market conditions or a significant acquisition or disposition of assets or other property by the Company, a Subsidiary or a division. The extent to which a Participant is entitled to payment of a Performance Share Award at the end of the Performance Period shall be determined by the Committee, in its sole discretion, based on the Committee's determination of whether the Performance Goals established by the Committee in the granting of such Performance Share Award have been met.

(d) *Payment of Awards.* Payment in settlement of a Performance Share Award shall be made as soon as practicable following the conclusion of the respective Performance Period, or at such other time as the Committee shall determine, in shares of Common Stock.

(e) *Rights as Shareholder.* Except as otherwise provided by the Committee in the applicable Award Agreement, a Participant shall have no rights as a shareholder with respect to a Performance Share Award until shares of Common Stock (either in certificate or book entry form) shall have been issued to the Participant following the conclusion of the Performance Period, and, subject to Section 16(b), no adjustment shall be made for dividends or distributions or other rights in respect of any share for which the record date is prior to the date on which the Participant shall become the holder of record thereof.

12. *Performance Units.* Awards of Performance Units shall be subject to the following terms and conditions and shall contain such additional terms and conditions, not inconsistent with the terms of the Plan, as the Committee shall deem appropriate:

(a) *Award Agreement.* Awards of Performance Units shall be evidenced by an Award Agreement in such form and containing such terms and conditions as the Committee deems appropriate and which are not inconsistent with the terms of the Plan.

(b) *Terms of Performance Units Generally.* Each Performance Unit shall entitle the Participant to whom such Performance Unit was granted to receive, upon satisfaction of certain specified performance criteria and subject to such other terms and conditions as the Committee deems appropriate, the amount specified in Section 12(d). Performance Units may be granted alone or in addition to other Awards under the Plan.

(c) *Performance Goals.* Awards of Performance Units shall provide that, in order for a Participant to be entitled to payment under such Award, the Company, a Subsidiary and/or the Participant must achieve certain specified Performance Goals over a designated Performance Period. The Performance Goals and Performance Period shall be established by the Committee in its sole discretion. The Committee shall establish the Performance Goals for each Performance Period before, or as soon as practicable after, the commencement of the Performance Period. In setting Performance Goals, the Committee may use such measures as (without limitation) net earnings, operating earnings or income, absolute and/or relative return on equity or assets, earnings per share, cash flow, pretax profits, earnings growth, revenue growth, comparison to peer companies, any combination of the foregoing, or such other measure or measures of performance, including individual measures of performance, in such manner as it deems appropriate. Prior to

the end of a Performance Period, the Committee may, in its discretion, adjust the performance objectives to reflect a Change in Capitalization (as hereinafter defined) or any other event which may materially affect the performance of the Company, a Subsidiary or a division, including, but not limited to, market conditions or a significant acquisition or disposition of assets or other property by the Company, a Subsidiary or a division. The extent to which a Participant is entitled to payment of a Performance Unit Award at the end of the Performance Period shall be determined by the Committee, in its sole discretion, based on the Committee's determination of whether the Performance Goals established by the Committee in the granting of such Performance Unit Award have been met.

(d) *Payment of Awards.* Payment in settlement of a Performance Unit Award shall be made as soon as practicable following the conclusion of the respective Performance Period, or at such other time as the Committee shall determine, in cash. The amount of any such payment shall be determined by multiplying (i) the difference between the Fair Market Value of one share of Common Stock on the relevant date and the price per share specified for the Performance Unit by (ii) the number of Performance Units. Notwithstanding the foregoing, the Committee may limit in any manner the amount payable with respect to any Performance Unit by including such a limit in the Award Agreement at the time the Performance Unit is granted.

(e) *Rights as Shareholder.* A Participant shall have no rights as a shareholder with respect to an Award of Performance Units.

13. *Special Performance-Based Awards.*

(a) *General Provisions.* Without limiting the generality of the foregoing, and in addition to qualifying awards granted under other provisions of this Plan (i.e., Stock Options or Stock Appreciation Rights granted with an exercise price not less than Fair Market Value at the applicable date of grant for Section 162(m) purposes to Eligible Individuals who are key employees or officers of the Company or any of its Subsidiaries ("*Presumptively Qualifying Awards*")), the Committee may authorize and grant to any Eligible Individual who is a key employee or an officer of the Company or any of its Subsidiaries, other cash or stock-related performance-based awards, including "performance-based" awards within the meaning of Section 162(m) of the Code ("*Special Performance-Based Awards*"), whether in the form of restricted stock, stock appreciation rights, performance stock, performance units, or other rights, whether or not related to stock values or appreciation, and whether payable in cash, Common Stock or a combination thereof. If the Award (other than a Presumptively Qualifying Award) is intended as performance-based compensation under Section 162(m) of the Code, the vesting or payment thereof will depend on the performance of the Company on a consolidated, Subsidiary, segment, division or business unit basis (or any combination of the foregoing) with reference to performance goals relative to one or more of the following business criteria (on an absolute or relative (including, without limitation, relative to the performance of other companies or upon comparisons of any of the indicators of performance relative to other companies) basis) (the "*Business Criterion*"): net earnings (before or after interest, taxes, depreciation and/or amortization), operating earnings or income (before or after taxes), absolute and/or relative return on equity or assets or on net investment income, cost containment or reduction, earnings per share, cash flow (which means cash and cash equivalents derived from either net cash flow from operations or net cash flow from operations, financing and investing activities), pretax profits, earnings growth, stock price, stock price growth, total stockholder return, gross or net profit margin, operating margin, gross revenue or revenue growth, sales (including same store or comparable sales) or sales growth, or any combination thereof. These terms are used as applied under generally accepted accounting principles or in the Company's financial reporting. To qualify Awards as performance-based under Section 162(m), the applicable Business Criteria and

specific performance goal or goals (“targets”) must be established and approved by the Committee during the first 90 days of the performance period (and, in the case of a performance periods of less than one year, in no event after 25% or more of the performance period has elapsed) and while the performance relating to such targets remains substantially uncertain within the meaning of 162(m) of the Code. To the extent provided by the Committee in the applicable Award Agreement, performance targets and/or performance measurements shall be adjusted to mitigate the unbudgeted impact of material, unusual or nonrecurring gains and losses, accounting changes or other items specified by the Committee at the time of establishing the targets. The applicable performance measurement period may be not less than three months nor more than 10 years.

(b) *Maximum Award.* Grants or awards under this Section 13 may be paid in cash or stock or any combination thereof. Grants of Stock Options and Stock Appreciation Rights to any one Participant in any one calendar year shall be subject to the limit set forth in Section 6(a) of the Plan. The maximum number of shares of Common Stock which may be subject to Special Performance-Based Awards (including Special Performance-Based Awards payable in shares of Common Stock and Special Performance-Based Awards payable in cash where the amount of cash payable upon or following vesting of the award is determined with reference to the Fair Market Value of a share of Common Stock at such time) that are granted to any one Participant in any one calendar year shall not exceed 1,000,000 shares, either individually or in the aggregate, subject to adjustment as provided in Section 16(b); provided that this limit shall not apply to Stock Options and Stock Appreciation Rights (which are covered by the limit of Section 6(a)). The aggregate amount of compensation to be paid to any one Participant in respect of all Special Performance-Based Awards payable only in cash (excluding cash awards covered by the preceding sentence where the cash payment is determined with reference to the Fair Market Value of a share of Common Stock upon or following the vesting of the award) and paid to that Participant in any one fiscal year of the Company shall not exceed \$5,000,000. Awards that are cancelled during the year shall be counted against these limits to the extent permitted by Section 162(m) of the Code.

(c) *Committee Certification.* Except as otherwise permitted to qualify as performance-based compensation under Section 162(m), before any Special Performance-Based Award under this Section 13 is paid, the Committee must certify that the performance standard, target(s), and the other material terms of the Special Performance-Based Award were in fact satisfied.

(d) *Terms and Conditions of Awards.* The Committee will have discretion to determine the restrictions or other limitations of the individual Awards under this Section 13, including the authority to reduce Awards, to determine payout schedules and the extent of vesting or to pay no Awards, in its sole discretion, if the Committee preserves such authority at the time of grant by language to this effect in its authorizing resolutions or otherwise. The Committee may provide that in the event a Participant terminates employment or service for any one or more reason, the Participant shall forfeit all rights to any outstanding Award.

(e) *Expiration of Grant Authority.* As required pursuant to Section 162(m) of the Code and the regulations promulgated thereunder, the Committee’s authority to grant new awards that are intended to qualify as performance-based compensation within the meaning of Section 162(m) of the Code (other than Stock Options and Stock Appreciation Rights) shall terminate upon the first meeting of the Company’s shareholders that occurs in the fifth year following the year in which the Company’s shareholders first approve this Plan.

14. *Termination of Employment.*

(a) *Death, Disability or Retirement.* Except as may otherwise be provided by the Committee in its sole discretion at the time of grant or subsequent thereto, if a Participant's employment with the Company and its Subsidiaries terminates by reason of death, Disability or Retirement, (i) any Stock Option or Stock Appreciation Right held by the Participant may thereafter be exercised, to the extent it was exercisable on the date of termination, for a period (the "*Exercise Period*") of one year from the date of such death, Disability or Retirement or until the expiration of the stated term of the Stock Option or Stock Appreciation Right, whichever period is shorter, and to the extent not exercisable on the date of termination of employment, such Stock Option or Stock Appreciation Right shall be forfeited; *provided, however*, that if a Participant terminates employment by reason of Retirement and such Participant holds an Incentive Stock Option, the Exercise Period shall not exceed the shorter of three months from the date of Retirement and the remainder of the stated term of such Incentive Stock Option; *provided further, however*, that if the Participant dies during the Exercise Period, any unexercised Stock Option or Stock Appreciation Right held by such Participant may thereafter be exercised to the extent it was exercisable on the date of Disability or Retirement, by the legal representative of the estate or legatee of the Participant under the will of the Participant, for a period of one year from the date of such death or until the expiration of the stated term of such Stock Option or Stock Appreciation Right, whichever period is shorter (or, in the case of an Incentive Stock Option, for a period equal to the remainder of the Exercise Period), (ii) with respect to a Restricted Stock Award, if such termination is prior to the end of any applicable restriction period, the number of shares of Common Stock subject to such Award which have not become vested as of the date of death, Disability or Retirement shall be forfeited, (iii) with respect to a Restricted Stock Unit Award, if such termination is prior to the end of any applicable conditions to vesting, the number of Restricted Stock Units subject to such Award that have not become vested as of the date of death, Disability or Retirement shall be forfeited and (iv) with respect to a Performance Share Award or a Performance Unit Award, if such termination is prior to the end of any applicable Performance Period, the number of shares of Common Stock subject to such Award which have not been earned or the corresponding Award payment, as the case may be, as of the date of death, Disability or Retirement shall be forfeited. In determining whether to exercise its discretion under the first sentence of this Section 14(a) with respect to an Incentive Stock Option the Committee may consider the provisions of Section 422 of the Code.

(b) *Other Terminations.* Unless the Committee determines otherwise in its sole discretion at the time of grant or subsequent thereto, if a Participant's employment with the Company and its Subsidiaries terminates for any reason other than death, Disability or Retirement, (i) any Stock Option or Stock Appreciation Right held by the Participant may thereafter be exercised, to the extent it was exercisable on the date of termination, for a period of sixty (60) days from the date of such termination of employment or until the expiration of the stated term of such Stock Option or Stock Appreciation Right, whichever period is shorter, and to the extent not exercisable on the date of termination of employment, such Stock Option or Stock Appreciation Right shall be forfeited, and (ii) with respect to a Restricted Stock Award, if such termination is prior to the end of any applicable restriction period, the number of shares of Common Stock subject to such Award which have not become vested as of the date of termination shall be forfeited, (iii) with respect to a Restricted Stock Unit Award, if such termination is prior to the end of any applicable conditions to vesting, the number of Restricted Stock Units subject to such Award that have not become vested as of the date of termination shall be forfeited and (iv) with respect to a Performance Share Award or a Performance Unit Award, if such termination is prior to the end of any applicable Performance Period, the number of shares of Common Stock subject to such Award which have not been earned or the corresponding Award payment, as the case may be, as of the date of termination shall be forfeited. In determining whether to exercise its discretion

under the first sentence of this Section 14(b) with respect to an Incentive Stock Option, the Committee may consider the provisions of Section 422 of the Code.

(c) *Events Not Deemed Terminations of Service; Effect of Change of Subsidiary Status.* Unless Company policy or the Committee otherwise provides, the employment relationship shall not be considered terminated in the case of (a) sick leave, (b) military leave, or (c) any other leave of absence authorized by the Company or one of its Subsidiaries or the Committee; provided that unless reemployment upon the expiration of such leave is guaranteed by contract or law, such leave is for a period of not more than 90 days. In the case of any employee of the Company or one of its Subsidiaries on an approved leave of absence, continued vesting of the award while on leave from the employ of the Company or one of its Subsidiaries may be suspended until the employee returns to service, unless the Committee otherwise provides or applicable law otherwise requires. In no event shall an award be exercised after the expiration of the term set forth in the award agreement. For purposes of this Plan and any award, if an entity ceases to be a Subsidiary of the Company a termination of employment or service shall be deemed to have occurred with respect to each Eligible Individual in respect of such Subsidiary who does not continue as an Eligible Individual in respect of another entity within the Company after giving effect to the Subsidiary's change in status unless that Subsidiary is sold, spun-off or otherwise divested (or its successor or a direct or indirect parent of such Subsidiary or successor) and assumes the Eligible Individual's award(s) in connection with such transaction.

(d) If the Participant is not an employee of the Company or one of its Subsidiaries and provides other services to the Company or one of its Subsidiaries, the Committee shall be the sole judge for purposes of this Plan (unless a contract or the award otherwise provides) of whether the Participant continues to render services to the Company or one of its Subsidiaries and the date, if any, upon which such services shall be deemed to have terminated. The Committee may also specify additional rules for determining if and when a termination of employment or services has occurred for purposes of this Plan.

15. *Non-transferability.* No Award granted under the Plan or any rights or interests therein shall be sold, transferred, assigned, pledged or otherwise encumbered or disposed of except by will or by the laws of descent and distribution or, except (a) in the case of an Incentive Stock Option, pursuant to a "qualified domestic relations order" ("*QDRO*") as defined in the Code or Title I of the Employee Retirement Income Security Act of 1974, as amended, and the rules and regulations thereunder, (b) if the Participant has suffered a disability, permitted transfers or exercises on behalf of the participant by his or her legal representative, or (c) by the authorization by the Committee of "cashless exercise" procedures with third parties who provide financing for the purpose of (or who otherwise facilitate) the exercise of awards consistent with applicable laws and the express authorization of the Committee; *provided, however*, that the Committee may, subject to such terms and conditions as the Committee shall specify, permit the transfer of an Award that is not an Incentive Stock Option to a Participant's family members or to one or more trusts established in whole or in part for the benefit of one or more of such family members; *provided further* that the restrictions in this sentence shall not apply to the shares received in connection with an Award after the date that the restrictions on transferability of such shares set forth in the applicable Award Agreement have lapsed. During the lifetime of a Participant, a Stock Option or Stock Appreciation Right shall be exercisable only by, and payments in settlement of Awards shall be payable only to, the Participant or, if applicable, the "alternate payee" under a QDRO or the family member or trust to whom such Stock Option, Stock Appreciation Award or other Award has been transferred in accordance with the previous sentence.

16. *Recapitalization or Reorganization.*

(a) The existence of the Plan, the Award Agreements and the Awards granted hereunder shall not affect or restrict in any way the right or power of the Company or the shareholders of the Company to make or authorize any adjustment, recapitalization, reorganization or other change in the Company's capital structure or its business, any merger or consolidation of the Company, any issue of stock or of options, warrants or rights to purchase stock or of bonds, debentures, preferred or prior preference stocks whose rights are superior to or affect the Common Stock or the rights thereof or which are convertible into or exchangeable for Common Stock, or the dissolution or liquidation of the Company, or any sale or transfer of all or any part of its assets or business, or any other corporate act or proceeding, whether of a similar character or otherwise.

(b) Notwithstanding any provision of the Plan or any Award Agreement, in the event of any change in the outstanding Common Stock by reason of a stock dividend, recapitalization, reorganization, merger, consolidation, conversion, stock split, combination or exchange of shares (a "Change in Capitalization") (i) such proportionate adjustments as may be necessary (in the form determined by the Committee in its sole discretion) to reflect such change shall be made to prevent dilution or enlargement of the rights of Participants under the Plan with respect to the aggregate number of shares of Common Stock for which Awards in respect thereof may be granted under the Plan (including the specific share limits, maximums and numbers of shares set forth elsewhere in the Plan), the number of shares of Common Stock covered by each outstanding Award, and the exercise or Award prices in respect thereof, the securities, cash or other property deliverable upon exercise or payment of any outstanding Awards, or subject to Section 13, the performance standards applicable to any outstanding Awards and (ii) the Committee may make such other adjustments, consistent with the foregoing, as it deems appropriate in its sole discretion. Notwithstanding the foregoing, in each case, no adjustment shall be made to any Award that would subject the holder of such Award to additional tax under Section 409A of the Code with respect to such Award.

(c) To the extent limited by Section 162(m) of the Code in the case of an Award intended as performance-based compensation thereunder and necessary to assure the deductibility of the compensation payable under the award, the Committee shall have no discretion under this Plan (i) to increase the amount of compensation or the number of shares that would otherwise be due upon the attainment of the applicable performance target or the exercise of the option or SAR, or (ii) to waive the achievement of any applicable performance goal as a condition to receiving a benefit or right under the Award.

17. *Change in Control.* Subject to Section 16(c), in the event of a Change in Control and except as the Committee (as constituted immediately prior to such Change in Control) may otherwise determine in its sole discretion, (i) all Stock Options or Stock Appreciation Rights then outstanding shall become fully exercisable as of the date of the Change in Control, whether or not then exercisable, (ii) all restrictions and conditions of all Restricted Stock Awards then outstanding shall lapse as of the date of the Change in Control, (iii) all restrictions and conditions of all Restricted Stock Units then outstanding shall lapse and such Restricted Stock Units shall become payable as of the date of the Change in Control, (iv) each other Award that is granted under this Plan shall become payable to the holder of such Award as of the date of the Change in Control, and (v) in the case of a Change in Control involving a merger of, or consolidation involving, the Company in which the Company is (A) not the surviving corporation (the "Surviving Entity") or (B) becomes a wholly owned subsidiary of the Surviving Entity or any Parent thereof, each outstanding Stock Option granted under the Plan and not exercised (a "Predecessor Option") will be converted into an option (a "Substitute Option") to acquire common stock of the Surviving Entity or its Parent, which Substitute Option will have substantially the same terms and conditions as the Predecessor Option, with appropriate adjustments as to the number and kind of shares and exercise prices.

Notwithstanding the foregoing, an Award shall not be accelerated and/or become payable pursuant to this Section 17 to the extent that such acceleration and/or payment shall cause the holder of such Award to be subjected to additional tax under Section 409A of the Code with respect to such Award. If the vesting of an Award has been accelerated expressly in anticipation of an event or upon shareholder approval of an event and the Committee later determines that the event will not occur, the Committee may rescind the effect of the acceleration as to any then outstanding and unexercised or otherwise unvested Awards.

18. *Amendment of the Plan.* The Board or Committee may at any time and from time to time terminate, modify, suspend or amend the Plan in whole or in part, except that no termination, modification, suspension or amendment shall be effective without shareholder approval if such approval is required to comply with Rule 16b-3 under the Exchange Act, Section 162(m), 422 or 424 of the Code, or to comply with any other law, regulation or stock exchange rule or deemed necessary or advisable by the Board. No termination, modification, suspension or amendment of the Plan shall, without the consent of a Participant to whom any Awards shall previously have been granted, adversely affect his or her rights under such Awards. Notwithstanding any provision herein to the contrary, the Board or Committee shall have broad authority to amend the Plan or any Stock Option to take into account changes in applicable tax laws, securities laws, accounting rules and other applicable state and federal laws. In addition, changes contemplated by Section 16(b) of this Plan shall not be deemed to constitute changes or amendments for purposes of this Section 18.

19. *Miscellaneous.*

(a) *Tax Withholding.* No later than the date as of which an amount first becomes includable in the gross income of the Participant for applicable income tax purposes with respect to any award under the Plan, the Participant shall pay to the Company or make arrangements satisfactory to the Committee regarding the payment of any federal, state or local taxes of any kind required by law to be withheld with respect to such amount. Unless otherwise determined by the Committee, in accordance with rules and procedures established by the Committee, the minimum required withholding obligations may be settled with Common Stock, including Common Stock that is part of the award that gives rise to the withholding requirement, valued in a consistent manner at their fair market value. In no event shall the shares withheld exceed the minimum whole number of shares required for tax withholding under applicable law. The obligation of the Company under the Plan shall be conditioned upon such payment or arrangements and the Company shall, to the extent permitted by law, have the right to deduct any such taxes from any payment of any kind otherwise due to the Participant.

(b) *ISO Notice of Sale.* The applicable Award Agreement for an Incentive Stock Option shall provide that if a Participant makes a disposition, within the meaning of Section 424(c) of the Code and the regulations promulgated thereunder, of any share of Common Stock issued to such Participant pursuant to the exercise of an Incentive Stock Option within the two-year period commencing on the day after the date of the grant or within the one-year period commencing on the day after the date of transfer of such share of Common Stock to the Participant pursuant to such exercise, the Participant shall, within ten (10) days of such disposition, notify the Company thereof, by delivery of written notice to the Company at its principal executive office.

(c) *Loans.* On such terms and conditions as shall be approved by the Committee and subject to compliance with applicable law, the Company may directly or indirectly lend money to a Participant to accomplish the purposes of the Plan, including to assist such Participant to acquire or carry shares of Common Stock acquired upon the exercise of Stock Options granted hereunder, and the Committee may also separately lend money to any Participant to pay taxes with respect to any of the transactions contemplated by the Plan.

(d) *No Right to Grants or Employment.* No Eligible Individual or Participant shall have any claim or right to receive grants of Awards under the Plan. Nothing in the Plan or in any Award or Award Agreement shall confer upon any employee of the Company or any Subsidiary any right to continued employment with the Company or any Subsidiary, as the case may be, or interfere in any way with the right of the Company or a Subsidiary to terminate the employment of any of its employees at any time, with or without cause.

(e) *Unfunded Plan.* Awards payable under this Plan shall be payable in shares or from the general assets of the Company, and no special or separate reserve, fund or deposit shall be made to assure payment of such Awards. No Participant, beneficiary or other person shall have any right, title or interest in any fund or in any specific asset (including shares of Common Stock, except as expressly otherwise provided) of the Company by reason of any Award hereunder. Neither the provisions of this Plan (or of any related documents), nor the creation or adoption of this Plan, nor any action taken pursuant to the provisions of this Plan shall create, or be construed to create, a trust of any kind or a fiduciary relationship between the Company and any of its Subsidiaries and any Participant, beneficiary or other person. To the extent that a Participant, beneficiary or other person acquires a right to receive payment pursuant to any Award hereunder, such right shall be no greater than the right of any unsecured general creditor of the Company. In its sole discretion, the Committee may authorize the creation of trusts or other arrangements to meet the obligations created under the Plan to deliver Common Stock or payments in lieu thereof with respect to Awards hereunder.

(f) *Other Employee Benefit Plans.* Payments received by a Participant under any Award made pursuant to the provisions of the Plan shall not be included in, nor have any effect on, the determination of benefits under any other employee benefit plan or similar arrangement provided by the Company.

(g) *Securities Law Restrictions.* The Committee may require each Eligible Individual purchasing or acquiring shares of Common Stock pursuant to a Stock Option or other Award under the Plan to represent to and agree with the Company in writing that such Eligible Individual is acquiring the shares for investment and not with a view to the distribution thereof. All shares of Common Stock delivered under the Plan shall be subject to such stock-transfer orders and other restrictions as the Committee may deem advisable under the rules, regulations, and other requirements of the Securities and Exchange Commission, the New York Stock Exchange or any other exchange upon which the Common Stock is then listed, and any applicable federal or state securities law, and the Committee may cause a legend or legends to be put on any such shares issued in certificate form, or a notation to be made on any such shares issued in book entry form, as applicable, to make appropriate reference to such restrictions. No Award shall be granted or shares of Common Stock shall be issued hereunder unless the Company shall have determined that such grant or issuance is in compliance with, or pursuant to an exemption from, all applicable federal and state securities laws.

(h) *Plan Construction.*

(1) *Compliance with Rule 16b-3.* The Plan is intended to comply with Rule 16b-3 under the Exchange Act or its successors under the Exchange Act and the Committee shall interpret and administer the provisions of the Plan or any Award Agreement in a manner consistent therewith. To the extent any provision of the Plan or Award Agreement or any action by the Committee fails to so comply, it shall be deemed null and void, to the extent permitted by law and deemed advisable by the Committee. Moreover, in the event the Plan or an Award Agreement does not include a provision required by Rule 16(b)(3) to be stated therein, such provision (other than one relating to eligibility requirements, or the price and amount of Awards)

shall be deemed automatically to be incorporated by reference into the Plan or such Award Agreement insofar as Participants subject to Section 16 of the Exchange Act are concerned. Notwithstanding anything contained in the Plan or any Award Agreement to the contrary, if the consummation of any transaction under the Plan would result in the possible imposition of liability on a Participant pursuant to Section 16(b) of the Exchange Act, the Committee shall have the right, in its sole discretion, but shall not be obligated, to defer such transaction to the extent necessary to avoid such liability, but in no event for a period in excess of 180 days.

(2) *Section 162(m)*. Awards under Section 13 that are either granted or become vested, exercisable or payable based on attainment of one or more performance goals related to the Business Criteria, as well as Stock Options and Stock Appreciation Rights, that are approved by a committee composed solely of two or more outside directors (as this requirement is applied under Section 162(m) of the Code) shall be deemed to be intended as performance-based compensation within the meaning of Section 162(m) of the Code unless such Committee provides otherwise at the time of grant of the Award. It is the further intent of the Company that (to the extent the Company or awards under this Plan may be or become subject to limitations on deductibility under Section 162(m) of the Code) any such Awards and any other Special Performance-Based Awards under Section 13 that are granted to or held by a person subject to Section 162(m) will qualify as performance-based compensation or otherwise be exempt from deductibility limitations under Section 162(m).

(i) *Deductibility Under Code Section 162(m)*. Awards granted under the Plan to Eligible Individuals which the Committee reasonably believes may be subject to the deduction limitation of Section 162(m) of the Code shall not be exercisable, and payment under the Plan in connection with such an Award shall not be made, unless and until the Committee has determined in its sole discretion that such exercise or payment would no longer be subject to the deduction limitation of Section 162(m) of the Code.

(j) *Award Agreement*. Each Eligible Individual receiving an Award under the Plan shall enter into an Award Agreement in a form specified by the Committee agreeing to the terms and conditions of the Award and such other matters as the Committee shall, in its sole discretion, determine. In the event of any conflict or inconsistency between the Plan and any such Award Agreement, the Plan shall govern, and the Award Agreement shall be interpreted to minimize or eliminate any such conflict or inconsistency.

(k) *Expenses*. The costs and expenses of administering the Plan shall be borne by the Company.

(l) *Applicable Law*. Except as to matters of federal law, the Plan and all actions taken thereunder shall be governed by and construed in accordance with the laws of the State of Delaware without giving effect to conflicts of law principles.

(m) *Effective Date*. This amended and restated version of the Plan shall be effective May 20, 2014 (the “*Effective Date*”), provided that the Plan is approved by the Company’s shareholders within 12 months after that date. Awards granted under the Plan prior to such shareholder approval shall be and are made subject to defeasance by the failure of the shareholders to approve the Plan.

(n) *Privileges of Stock Ownership*. Except as otherwise expressly authorized by the Committee or this Plan, a Participant shall not be entitled to any privilege of stock ownership as to any shares of Common Stock not actually delivered to and held of record by the Participant. No

adjustment will be made for dividends or other rights as a shareholder for which a record date is prior to such date of delivery.

(o) *Severability*. If a court of competent jurisdiction holds any provision invalid and unenforceable, the remaining provisions of this Plan shall continue in effect.

(p) *Captions*. Captions and headings are given to the sections and subsections of this Plan solely as a convenience to facilitate reference. Such headings shall not be deemed in any way material or relevant to the construction or interpretation of this Plan or any provision thereof.

(q) *Non-Exclusivity of Plan*. Nothing in this Plan shall limit or be deemed to limit the authority of the Board or the Committee to grant awards or authorize any other compensation, with or without reference to the Common Stock, under any other plan or authority.

(r) *Clawback Policy*. The Awards granted under this Plan are subject to the terms of the Company's recoupment, clawback or similar policy as it may be in effect from time to time, as well as any similar provisions of applicable law, any of which could in certain circumstances require repayment or forfeiture of awards or any shares of Common Stock or other cash or property received with respect to the Awards (including any value received from a disposition of the shares acquired upon payment of the Awards).
