Explanation of Responses:

1. The original Form 4, filed on February 3, 2021, is being amended by this Form 4 amendment solely to correct an administrative error, which misreported shares tendered in payment of the tax withholding obligation. As a result of this administrative error, the number of shares beneficially owned by the reporting person following the corrected transaction reflects an increase in the number of shares reported as beneficially owned by the reporting person by 44 shares. In addition, the price per shares tendered was corrected to \$23.24.
